

## Third Grade

# Summer Reading Assignment

Summer is here! You worked so hard in second grade and have confronted a different way of learning. In preparation for third grade, you have become a strong reader, so it is important that you keep reading throughout the summer so you can continue your success in third grade.

As part of your summer vacation, you must continue to find time to read daily. As part of your summer project, you will read the chapter book titled ***Back to School, Weird Kids Rule!*** By Dan Gutman. You can purchase this book online or access a free digital copy online on an application called Epic, a digital library. As part of your summer project, you will need to complete the complete four journal entries. All the journal entries must be written neatly, written in complete sentences, and you must include text evidence.

**Third Grade Teachers**

Name \_\_\_\_\_

Title \_\_\_\_\_

Author \_\_\_\_\_

### **Journal Entry #1**

Choose a character from the book. What character traits describe this character? Why? Use text evidence from the story.
