Third Grade Summer Reading Project

Hooray summer is here! You worked so hard in 2nd grade and confronted a different way of learning... You should be proud of yourself. In preparation for 3rd grade, it's important that you keep on reading throughout the summer months.

For your summer reading project, you will need to complete the following:

- Select and read **one** chapter book from the reading series titled **Field Trip Mysteries** by Steve Brezenoff. These digital books can be accessed for **free** on myON which is located in the student portal. {Click on the tab labeled "Apps & Services". Then select "myON". Once the myON app opens, find the search bar and type in "**Field Trip Mysteries**". A selection of titles will appear. Select a book to read from the list.}
- Complete the **four journal entries** attached. All journal entries must be completed by the student, written neatly, answered in complete sentences, and should include text evidence.

Sincerely,
The Third Grade Team

This is a sample of some of the
Field Trip Mysteries books found on myON:

Name_____ Date: _____

Title_____

Author_____

Journal Entry #1

Choose a character from the book. What character traits describe this character? Why? Use text evidence to support your answer.

Journal Entry #2

Write a summary of the book. The summary must include the main characters, the setting, the beginning, middle and end.

Journal Entry #3

Explain how this book reminds you of something that happened to you or something you read in another book. Use text evidence to support your answer.

Journal Entry #4

What is your favorite part of the story? Why?
Draw a picture of your favorite part.
