

Summer Reading

June 1, 2023

Dear Parents of Incoming Seventh Graders,

Engaging your child in reading is essential to building good comprehension skills. The best way to begin working on improving reading comprehension is to read, read and read again! This summer, in preparation for Ethel Koger Beckham's sixth grade ELA courses your child will be expected to read the novel "*Bridge to Terabithia*" written by Katherine Paterson.

Attached please see the summer reading work your child must complete as they are reading the novel. There are three assignments attached to complete with this novel study.

They are as follows:

- (1) Chapter Summaries
- (2) Main Character Analyzations
- (3) Visualizing Illustrations Chart

This project will be due on Friday, August 18th, 20223, which is the first Friday of the new school year. We urge your child to complete this assignment since this will be their first required assignment for their 6th grade ELA class. Each assignment will be an individual grade in the gradebook. In addition, during the first two weeks of school, your child will take a comprehension test on the book. The assignments, along with their test score, will be their first ELA grades in the gradebook for the first grading period.

Thank You Very Much!

The Sixth Grade ELA Team
