

INCOMING Second Grade Summer Reading Project

Congrats, you are almost a SECOND GRADER! In preparation for the next school year, it's important that you continue reading throughout the summer.

For your summer reading project, you will need to complete the following:

- Select and read **ONE** chapter book from the lists provided.

These digital books can be accessed on myON through the student portal on Schoology. A "How to access myON" guide is provided behind this letter.

On the myON app, find the search bar and type the title of the book.

- Complete the front and back of the book report banner. Please use the template provided and **do not** mount on a board, cardstock, or construction paper. We would like to display the banner in a special way in our classrooms.

All book reports **must be completed by the student**, written neatly, and colored lightly so the work is legible.

Summer projects are due by the first Friday of the 2024-2025 school year. We hope you enjoy this fun activity. We can't wait to see you in 2nd Grade!

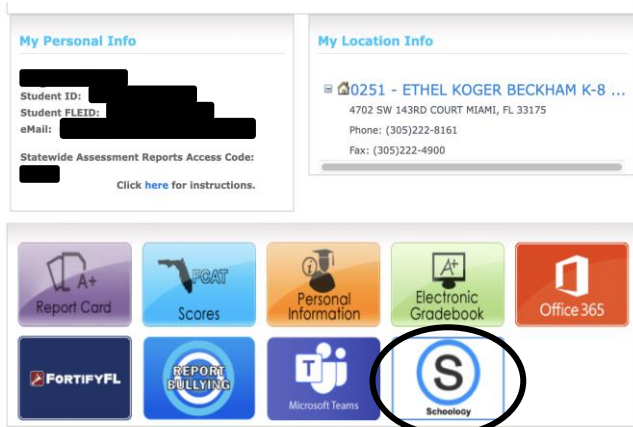

Happy Summer Reading!
