

# Incoming 3rd Grade

## Summer Reading Project

Hooray summer is here! You worked hard in 2nd grade and should be proud of your efforts. In preparation for 3rd grade, it's important that you keep on reading throughout the summer months.

For your summer reading project, you will need to complete the following:

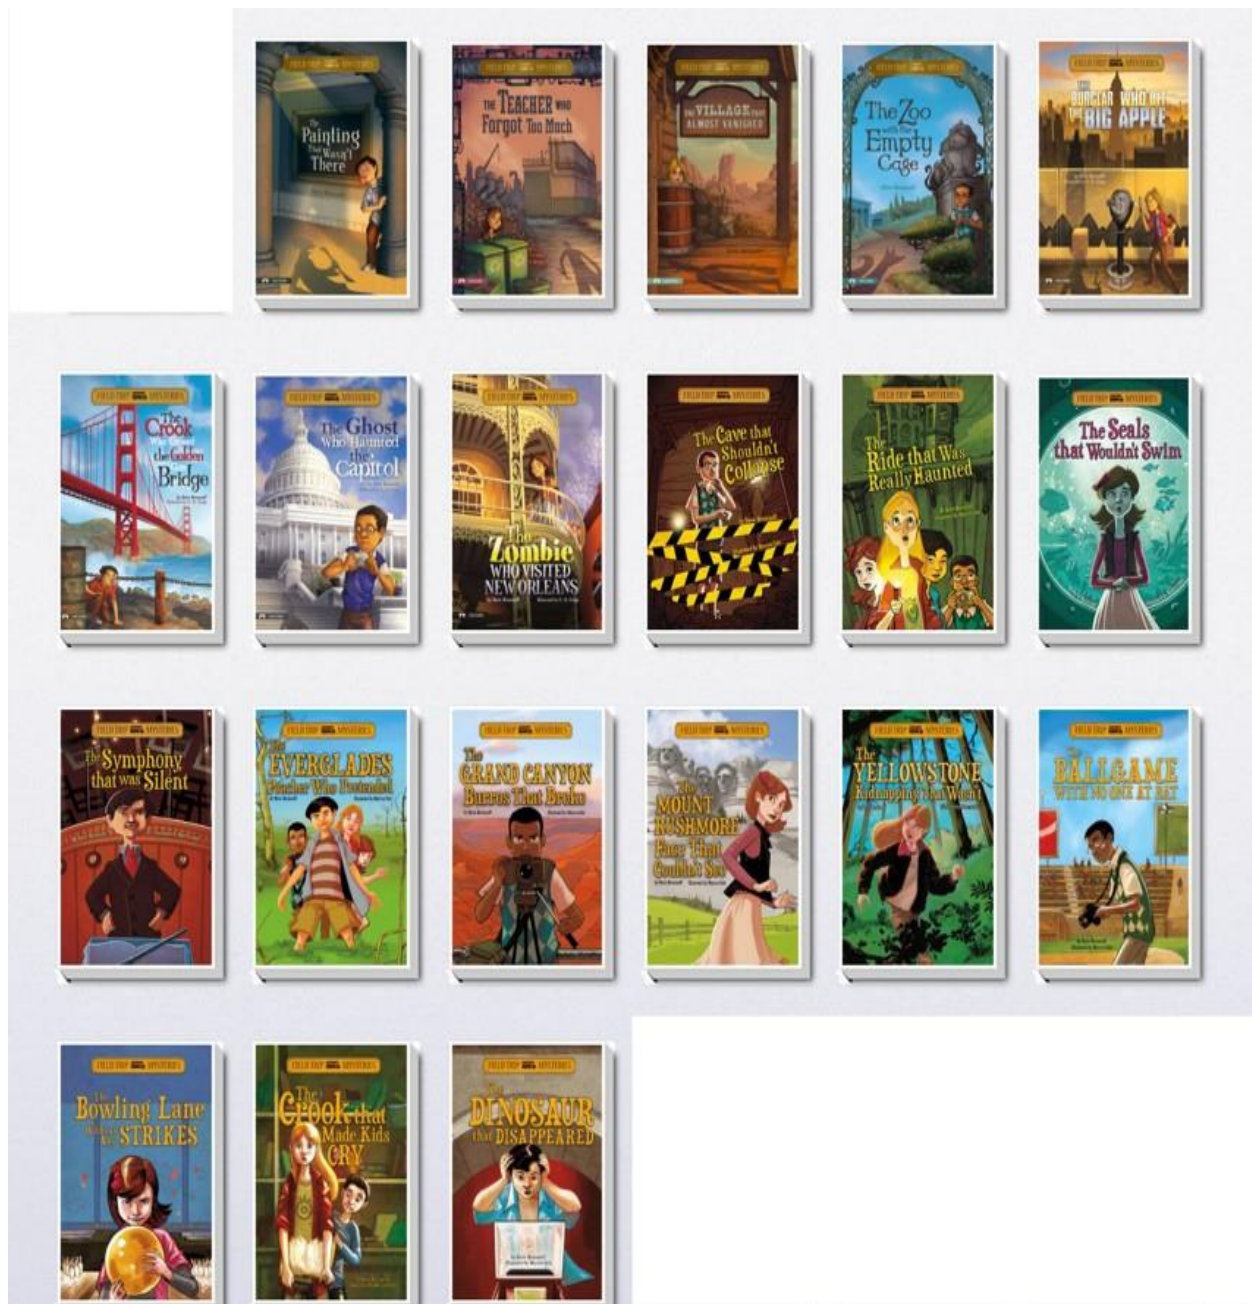

- Select and read **one** chapter book from the reading series titled **Field Trip Mysteries** by Steve Brezenoff. These digital books can be found for **free** on myON which can be accessed through the student portal via "Schoolology". {Please see the attached step by step directions.}
- Complete the **4 journal entries** that have been provided . All entries must be *completed by YOU (the student), written neatly, and answered in complete sentences.*
- Upon returning to school, you will **take an AR test** on the Field Trip Mysteries book you selected.

Enjoy your break! We look forward to seeing you at the start of the 2024-2025 school year.

Sincerely,  
The Third Grade Team
